THE NEW CLASSIC

A poetic experience of design and innovation.

Designed under the creative leadership of Marcel Wanders, The New Classic by LAUFEN is a complete bathroom collection that reinterprets timeless elegance for the modern world. From gracefully contoured washstands and sculpted washbasin bowls to refined toilets, a sensual bathtub, and meticulously crafted faucets, mirrors, and accessories, every piece exudes a sense of poetry and balance.

SENTEC

Sentec

Bathing in a bathtub made of solid surface material Sentec feels like being in a natural basin. Due to a high percentage of mineral particles, the surface feels smooth. The innovative material also allows an incredible freedom of design: almost every shape is feasible – from very organic to very straight and architectural. Furthermore the non-porous surface of the material is hygienic, durable, UV-resistant, highly resistant to scratches and can be effortlessly cleaned.
