Installation type : Freestanding

Internal height (mm) : 440

Internal length (mm) : 1200

Internal width (mm) : 610

Material : Sentec

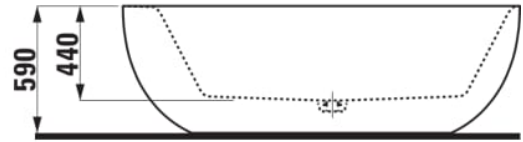

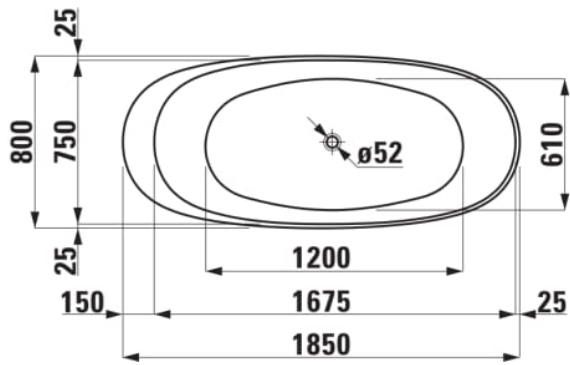

Net weight (kg) : 142

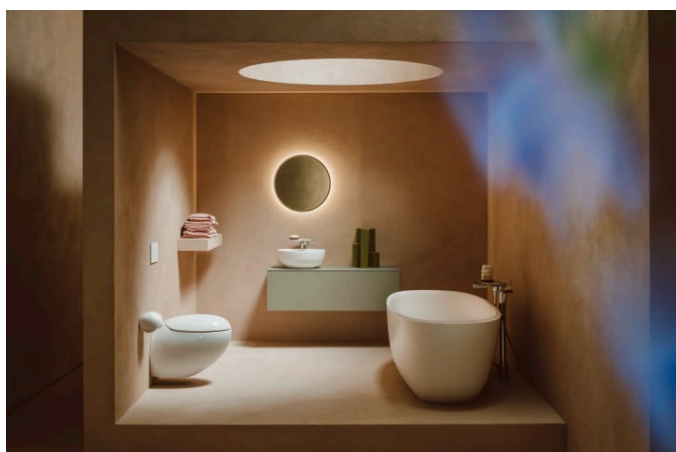

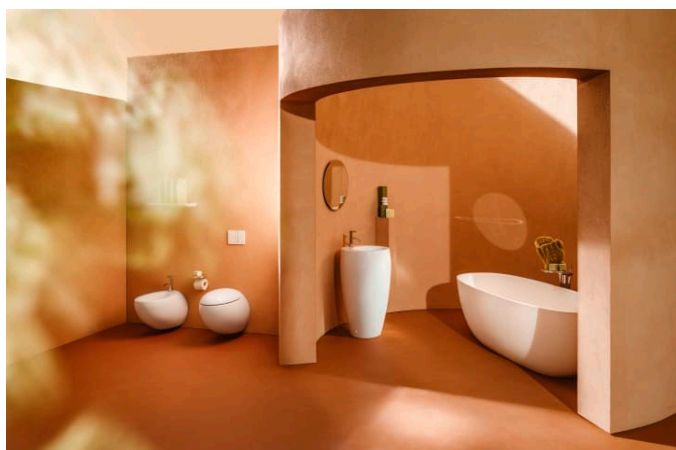

Shape : Oval

Waste diameter (mm) : 52

Water capacity to overflow (l) : 227

TECHNICAL DRAWINGS

ILBAGNOALESSI

ILBAGNOALESSI is a bathroom design that has cast its spell over the home design world for years: It is characterised by a timeless form, sparkling imagination and a hint of eccentricity. This design award-winning ensemble is the creation of Italian designer star, Stefano Giovannoni.

SENTEC

Sentec

Bathing in a bathtub made of solid surface material Sentec feels like being in a natural basin. Due to a high percentage of mineral particles, the surface feels smooth. The innovative material also allows an incredible freedom of design: almost every shape is feasible – from very organic to very straight and architectural. Furthermore the non-porous surface of the material is hygienic, durable, UV-resistant, highly resistant to scratches and can be effortlessly cleaned.
