000 White

OPTIONS

000 - standard option

Fixing kit : Included

Net weight (kg) : 13.5

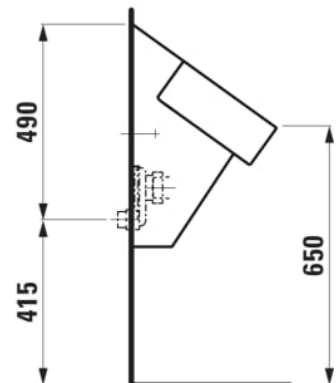

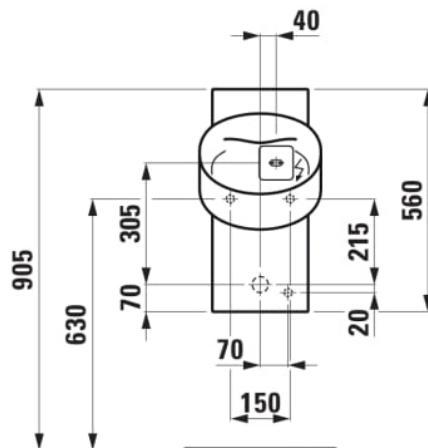

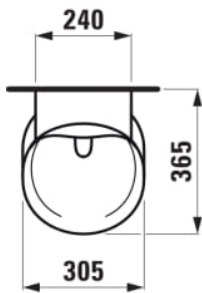

Power supply type : Mains operated

Incompatible with cover

Power supply (V) : 230

Water inlet position : Back horizontal

TECHNICAL DRAWINGS

VAL

Simple architectural lines, extremely narrow edges and finely textured surfaces make the washbasins of VAL by Konstantin Grcic globally unique. Forms and textures not previously possible in sanitary ceramics are realised in an exciting collection which includes washbasins, WC and bidets, bathtubs, faucets and accessories.
